

BLOCK 4 *cont.*

Use the cuts and completed segments to assemble (**See Fig 56**) on page 34.

You should now have FOUR complete segments as shown. Trim each to unfinished size 4" x 2.5" (**See Fig. 56**) ON PAGE 34. Press

CHEST BUTTONS - FPP TEMPLATE 14 and 15

2. Now, you will complete the chest buttons FPP Template 15 and 16.

You will need to gather the fabric cuts made according to the cutting instructions on pages 2-9.

FABRIC

(J4) 1.75" x 8" (2) (M3) 2.5" x 1.5" (16)
 (J5) 1.75" x 2.5" (8) (S4) 2.5" x 2.5" (12)
 (M) 1.5" x 8" (4)

QTY 2

3. Use **Template 14** to complete EIGHT segments as shown (**See Fig 57**).

Trim to unfinished size 4" x 2.5" using the template as a guide. Press.

4. Use **Template 15** to complete TWO segments as shown (**See Fig 58**). Trim to unfinished size 7.5" x 2.5" using the template as a guide.

QTY 2

Fig. 59

5. Once the segments are complete, you're ready to finish the segment. Sew one S3 to each side of as shown (**See Fig.59**). Trim to unfinished size 11.5" x 2.5". Press

HALF-RECTANGLE TRIANGLE (HRT) - FPP TEMPLATE 16 and 17

You will need to gather the fabric cuts made according to the cutting instructions on pages 2-9.

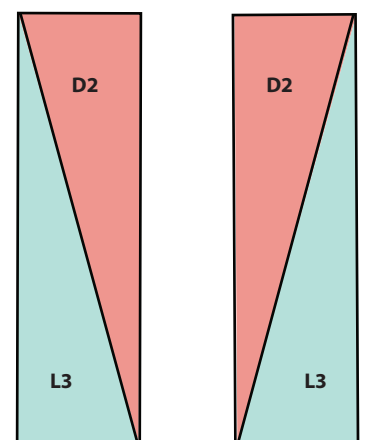

FABRIC

(D2) 3" x 8" (8)
 (L3) 3" x 8" (8)

6. First, read through the tips and tricks for sewing Foundation Paper Piecing (FPP) angles on page 12. This will help you avoid bias cuts and keep your blocks from stretching out of square.

7. Begin by sewing the FOUR RIGHT half rectangle triangles (HRT) using **Template 16** and FOUR LEFT half rectangle triangles (HRT) using **Template 17** to complete. Once finished, you will have EIGHT segments as shown (**See Fig 60**). Trim to unfinished size 2.5" x 7.5". Press.
